

VOTE JENNIFER HICKS FOR PHILOSOPHUS

What can I bring to the BTSS?

- I have a real interest in the arts - easy when Birmingham has so much to offer!
- I hope to continue the excellent work of the previous Philosophus in arranging regular trips to the theatre, cinema and local exhibitions
- Music is my first love and I will introduce more live music events to the BTSS social calendar
- I am open to suggestions and would like to hear members' comments on events they would like to attend in the future

A little bit about me ...

- I am a first year trainee at Eversheds
- My first seat was in Real Estate, and I am just about to move to Commercial Litigation for a bit of contentious action!
