

VOTE KAY PATEL FOR BTSS SPORTS REP 2011!

GET INVOLVED!

- I want to liaise with committee members so as to widen the sports /tournaments currently available, especially as I have noticed that many firms are unable to partake as they do not have enough boys or girls for the single sex football/netball teams. Basically more mixed sex sports such as badminton /squash/ dodge ball= more firms able to get involved!
- I will develop the BTSS's relationship with smaller firms
- I will ensure the continued success of the BTSS netball/football league
- A summer inter firm sports day with drinks and a BBQ in the evening!
- A BTSS Rugby League
- I will organise and make this year's IFT the biggest tournament yet, with the most participation and post event drinks!

What I can bring to the role:

- **Knowledge** - I currently play and help to organise BTSS/Summer /Winter League & Works League Netball. This will assist me in organising all sports events for the BTSS.
- **Organisation** - extensive previous experience of organising teams/matches/inter-team tournaments
- **Networking** - My experience means that I have connections throughout Birmingham and with other firms!
- **Enthusiasm & Energy!**

Don't just take my word for it....

"As a housemate, friend and one time sporting competitor, I would say that Kay would make a fab BTSS sports rep as she is committed, enthusiastic, sociable and friendly. And she kicks ass at netball and Wii too."

Kyleigh Bland
Bevan Brittan

"Kay is a naturally personable and friendly person, she has a talent for successfully arranging and managing events and has a keen interest in all areas of sport.

Kay is capable of knitting together large groups of people and creating an atmosphere of common interest and conversation, something I owe her for greatly in my short time in Birmingham.

This skill will stand her in good stead once the competitive atmosphere develops during the year."

Alex Wild
Nicholls & Co Ltd

"Vote for Kay for Sports Sec, she's well organised, loves all sports; and has some great ideas to make the BTSS sports tournament the best it's ever been!"

Victoria Longmore

"She is very sporty and a whirlwind on the netball court throwing herself into every netball game with enthusiasm - even with a broken foot! On the wider social scene she is always friendly and willing to speak to new people and get everyone involved. Her bubbly personality would draw more people into the sporting events for BTSS and I can't wait to see what new ideas she comes up with...!"

Ruth Stead
Cobbetts

"Kay's success at rounding up the troops to social and sporting events is a direct result of her enthusiastic, supportive and encouraging personality. She will be a true asset to the BTSS"

Beatrice Werner
